

# Becoming Courageous

March 6, 2017

Becoming courageous is \_\_\_\_\_ what comes your way by \_\_\_\_\_ into Jesus  
and walking \_\_\_\_\_ in the \_\_\_\_\_ that He offers!

## Facing What Comes Your Way :

What is your Story and what makes it Courageous?

(Question for the panel: Write down anything that stands out to you from their answers.)

John 16:33 – I have told you these things so that \_\_\_\_\_ you may have peace.

You \_\_\_\_\_ have suffering in this world. Be \_\_\_\_\_!

I have \_\_\_\_\_ the world.”

---

One of the biggest misconceptions about brave courageous people is that they are  
\_\_\_\_\_. They aren't fearless, they are just doing it \_\_\_\_\_!

## Leaning Into Jesus by choosing Faith over Fear:

What are the Biggest Fears that you had to face and step into to become Courageous?

(Question for the panel: Write down anything that stands out to you from their answers.)

If we don't choose \_\_\_\_\_, we are essentially choosing \_\_\_\_\_, because it is our automatic default choice.

### *Walking Forward in the Freedom that He Offers:*

*What are some practical steps of Courage you have taken, what do you do when you feel like quitting?*

(Question for the panel: Write down anything that stands out to you from their answers.)

*What would you say to someone who needs to choose Courage?*

(Question for the panel: Write down anything that stands out to you from their answers.)

*In what ways is God calling you to become Courageous?*

(Question for YOU to process. Write down anything that God speaks to you during this time.)
