

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 1:1-11*

Repent, Believe, and Follow is a theme we will see throughout this journey through Mark. As we begin, we will start by preparing our heart for what God wants us to do.

REFLECT

Take **10 minutes** to think about the steps you need to take to prepare your heart and how you want your relationship with Jesus to change through our Journey together. **Write these steps down in a place that you can revisit later.**

To receive a weekly text reminder of this week's Journey, text **GraceJourney** to **80123**.
