

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 2:18-28*

Jesus is helping us sort out the new from the old, **removing the burden of tradition from the true intent of God's Law.**

Is there something in your life that needs to die so God can bring something new? Take a moment to write down some of the things that you've added to your pursuit of Jesus, that may not be what God wants from you.

REFLECT

There are many good disciplines to have in your life (attending church, joining a group, praying, reading God's Word), but often we have to evaluate whether those things are becoming our idols.

Do you worship the ways you connect with Him more than you actually worship Him? Take a some time today to reflect on that question.
