

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 4:1-9*

After Jesus gives his listeners this now famous parable, he **pulls his disciples close** and explains what it means.

*Imagine Jesus pulling you close to explain this parable: " _____
[insert your name], here is what I meant when I said these things."*

REFLECT

Go one step further and talk with Jesus about what you have just read.

Which type of soil do you identify with? Where could you ask Jesus for help to become different?

To receive a weekly text reminder of this week's Journey, text **GraceJourney** to **80123**.
