

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 5:21-43*

In this story, we see a Jesus who is never in a hurry. He never rushes. We are often far too hurried to ever respond to someone like Jesus responds to the woman with a discharge of blood.

This week, be especially aware of when you feel rushed. Take the time to ask God to help you slow down.

REFLECT

Ask God to send someone into your path that you can help point to him.
