

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 7:1-13*

Traditions are valuable and good, but they can sometimes keep us from experiencing God in fresh, meaningful ways.

Take a quick “tradition inventory”: think about or write down some of the traditions you value (or have valued) in your relationship with God.

REFLECT

Do they help you experience intimacy with him? Or do they keep you from experiencing intimacy with him?
