

# JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

## READ Mark 8:11-21

**Jesus warns:** "Beware the leaven of the Pharisees!" He most certainly means several different things, but perhaps most importantly Jesus is talking about hypocrisy.

## REFLECT on these three action steps:

- *First, think about where you say one thing, but live as if that's not true (that's one way to think about hypocrisy).*
- *Second, ask Jesus to forgive you for that.*
- *Last, ask Jesus for help to show compassion to the "hypocrites" around you - the same compassion you just received from him.*
