

JOURNEY TAKEAWAY

Join us this week as we journey through Mark together:

READ *Mark 8:11-13*

Just after Mark 8:1-10, we see a group of religious leaders questioning Jesus. "Show us a sign!" they said. Keep in mind, this was just after Jesus had fed four thousand men (the number was far greater when including women and children) with just a few loaves of bread and fish. How often we think that if God would just show us a sign, we would believe in him. The truth is probably more disheartening - it takes more than seeing a sign to believe in Jesus. It takes faith in him.

Today, ask God to show you where you are lacking faith in him. And ask him to help you believe.
