

Grace Community Church partners with Compassion International in the Dominican Republic. Through child sponsorships, Compassion is able to partner our Grace families with families in poverty in the Dominican Republic. These sponsorships allow those families in the DR to be rescued from poverty through providing food, education, healthcare access to social workers and spiritual guidance! This all happens through local churches in their village. Compassion is passionate about empowering churches to serve their local communities. Our partnership with them allows them to care for families in need in the Dominican Republic.

We are offering an opportunity for you to go on a short term trip where you will see the work of Compassion firsthand, and if you sponsor a child through our partnership in the Dominican Republic you will have to chance to meet your sponsor child.

**Our next trip will take place November 12th-16th 2018.
