## BIBLE STUDY

Jesus designed Christian community to be the place we find wholeness, a congruency between who we are in public and who we are in private. He wants us to live together honestly and transparently.

Scripture describes the kind of community Jesus wants us to build with one another. Read through the following passages this week and look for how community is described through God's Word.

**Romans 15:7, Romans 14:1, Galatians 6:2-3, Hebrews 10:24, James 5:16**

1. How does God's Word encourage you to be transparent with others?
2. What are the ingredients to a Christian life lived out in community?
3. What has moved you the most from the 5 passages you've read above?
