The Story of the Bible || Restoration

Revelation 22:1-5

As we come to the end of our series, The Story of the Bible, we must realize and accept the truth that the world is broken. We live in a broken world and there is nothing you can do to fix it. God is the only one who can rescue you.

- *What is something in your life right now that is broken? Have you been trying to fix it on your own? If you are, how is that going for you?*
- *Share about a time when you have seen God rescue you and pour His grace and mercy over you.*

Read Revelation 22:1-5

- *There are four key symbols in this passage; the river, the throne, the lamb and the tree. Why are these symbols significant?*

The beauty of the story of the Bible is knowing that God is in control and has been since the very beginning. There are two realities that come from this story; God will bring complete redemption to all things and that evil will be dealt with by God.

- *Do you find comfort and peace in these two truths? Why or why not?*
- *How should you be living your life as a believer knowing that God will bring redemption and that He will right every wrong?*

We spend our lives trying to make other things or people fill that void that can only be filled by a personal relationship with Jesus. God loves you and wants a relationship with you. He is our ONLY HOPE in today's world.

- *Take some time to be still and close your eyes. Try and picture yourself in the presence of God. What does it feel like to be in God's presence?*

We have hope in Jesus and one day you will see Him face to face! Let that truth encourage you and motivate you to share the joy of Christ with others this week.
