I'm not smart enough...

I don't need it...

I don't have time...

I don't know where to start...

- Literacy is the ability to understand, interpret, & communicate a given text in a way that allows us to make sense of things. Biblical Literacy is a bridge from misery to hope, it brings light into our darkness.
- The Bible is One Big Beautiful Story of God's Redemption with epic storylines and interesting characters where every storyline and each character has an important part to play.
- When we approach Scripture as God's Big Beautiful Story of Redemption, we will fall more in love with the God of the Bible and we can more clearly see the part we play in His story.

NEXT STEPS

- 1. Commit to start reading with the goal of Biblical Literacy
- 2. Read through the lens of Meta Narrative
- 3. Ask new questions What does this passage teach me about God's Nature? What does this passage teach me about myself in relation to God?
