

# Seeing God in Creation

**Bible Story Focus:** Look at what God made.

Seeing God in Creation • *Romans 1:20*

**Memory Verse:** “Let us keep looking to Jesus.” Hebrews 12:2, NIRV

**Key Question:** Who wants to be your friend forever?

**Bottom Line:** Jesus wants to be my friend forever.

**Basic Truth:** Jesus wants to be my friend forever.

## Crafts

### 1. What Do You See?

**What You Need:** Empty toilet paper tubes (two per child); clear tape; yarn; a single hole punch; scissors; creation foam stickers; markers; “Day 1 Bottom Line Labels” and “Parent Note” Activity Pages; cardstock; and Avery® #5160 labels or equivalent

#### **What You Do:**

Tape two toilet paper tubes together side by side (wrap the tape around both tubes on both ends) to create binoculars. You will need one pair of binoculars for each child. Set the prepared binoculars at each spot at the table. Cut the yarn into two-foot lengths (one per child). Place the creation stickers and the markers in the center of the table. Encourage the children to decorate their binoculars with the markers and stickers. As the children are decorating, use the hole punch to punch two holes in the tops of each pair of binoculars and run a piece of yarn through the holes so the children can wear them around their necks.

#### **What You Say:**

“Today we’re talking about how we can see God through all that He has made! Let’s make some special binoculars to help us see all the wonderful things God has made. When you look through your binoculars, do you spy some friends God made? *(Pause.)* Yes! Take these binoculars and keep looking for all the amazing things God made. God gave us so many wonderful things to enjoy, but the BEST gift ever is Jesus. Tell me: **Who wants to be your friend forever? [Bottom Line] Jesus wants to be my friend forever.**”
