

## Church at Home || Weekend of August 9th, 2020

### How to use this guide as you prepare your heart for the upcoming weekend:

1. Use the prayer for you and your family to pray together going into the weekend.
  2. Read the passage ahead of Sunday that we will hear taught online or in-person at 9:00 am or 10:45 am.
  3. Plan a meal on Sunday afternoon or evening, and use the TableTalk questions below to talk as a family.
- Questions are meant to be easy for any age to answer and participate.

### Weekend Prayer

*Father, I want to please you and serve you with a clear and pure heart. I am a person that needs your help to do your will and today I am asking for that help. Cleanse my impure heart, wash my dirty hands, and make me whole and pure before you. Thank you for the miracle of a pure heart that you offer to me. Amen*
