### THURSDAY // CHRISTMAS DAY

Luke 2:1-20

The birth of Christ was promised for hundreds of years, but it still came as a surprise to many and it came in an unexpected way. This Christmas season, you may have had some surprises and things went in ways that were unexpected as well. But we have seen through this study that God is faithful and always working.

Why do we celebrate Christmas? It is a special day because it is a day that we pause to remember and celebrate the birth of Jesus. Long before Jesus was born, God had a plan to send His Son into the world to rescue us from our sins. The Bible tells us that Jesus came to bring light and life to everyone who trusts in Him.

Today, we celebrate the gift of Jesus, the promised Savior God sent for us. Jesus is called Immanuel. Do you remember what that name means? (God with us) At the perfect time, in the perfect way, and because God loves us, He sent His Son Jesus to be born into the world. God the Creator became Immanuel God with us (Matthew 1:21-23). Jesus was born as a baby. He lived a perfect life, died on the cross for our sins, and rose again. Because Jesus gave up His life for us, we can be called children of God. This is the best gift ever! Today, as we celebrate the birth of Jesus, the Light of the world, we pray for His light to be seen in our lives as we worship Him.

How can we share LOVE today? How can we offer HOPE today? How can we feel JOY today? How can we be at PEACE today?

How can we take the LOVE, HOPE, JOY, and PEACE offered to us in this season into this new year ahead as we walk daily with Christ?

**SONG //** O Come All Ye Faithful

**PRAYER //** God, we thank you today for the birth of your son Jesus! May we carry the love, hope, joy and peace of our Savior to the world around us. We love you, in Jesus' name we pray Amen.
